SOME COMMENTS FROM PARTICIPANTS

"Thank you Allan, your insights are so practical and easy to apply that I'm reaping the benefits of a calmer, more peaceful and optimistic approach to work, home, and relationships"

Bec Archer

"Sparked new neural connections. Guided by Allan's self discovery and practical experimental approach, learning and realising how my brain reacts, remembers, decides in my everyday life of brain function and dysfunction. Enlightening, energising, and enabling"

Michael Head

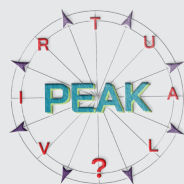

"Allan's expert guidance enable a highly engaging format producing stimulating idea generation and group discussion backed by neuro science research which ensure new levels of awareness and self-development"

Anthony Zullo
