VENUE:
Hilton Sydney
 488 GEORGE STREET, SYDNEY

BRISBANE:
10TH OCTOBER 2022
9AM – 5PM

VENUE:
Christie Spaces Conference Centre
 LEVEL 1, 320 ADELAIDE STREET, BRISBANE

- Understand the characteristics of complex systems
- Then, how do we change from Fixed to Adaptive Thinking
- Get rid of noise and complication, replace it with Flow and Ease.
- Moving from mechanical/linear management to inclusive/ liberating Management
- How to create a Silo Free Zone (SFV)
- Improve the feedback at every interconnection point
- Create a safe innovative space where discovery, courage and experimentation becomes the norm
- How to stimulate a Learning Individually and collectively
- How to spark High Order Thinking as a Culture
- Make lack of accountability a thing of the past
- Replace stress with composure, Passion and enthusiasm
