

APPLIED NEUROSCIENCE VIRTUAL

2-HOUR SESSION

ONLY ONE SESSION FOR 12 WEEKS

**LEARN ABOUT YOUR
BRAIN AND HOW YOU
CAN USE IT MORE FULLY.**

**LIBERATING LEARNING –
APPLIED NEUROSCIENCE
IN RELATION TO
LEARNING, IMPROVING,
COMMUNICATING, LEADING**

Explore easy ways to stimulate new brain function to provide awareness of, and changes to, the way we think. This will result in a change in behaviours at a deep habitual level, which will lead to leveraging a shift in our learning, our teaching & our love of learning and leave with the tools to make learning easier.
